## Home-School Partnership Agreement

At Hazelwood Schools, we believe in putting the child at the centre of all that we do. Every child is important to us and we strive to ensure that all children are happy, confident and successful individuals, in line with our Hazelwood Vision and Values.

At Hazelwood, we are focused on the development of the whole child; ensuring academic achievement whilst also providing children with an inspiring curriculum. We offer children engaging and motivating learning experiences that are, wherever possible, real, relevant, immersive and purposeful. With a strong partnership between home and school, our children leave Hazelwood very well prepared for the next stage of their learning journey.

**Our Vision and Values**

At Hazelwood, we believe in nurturing responsible citizens to achieve educational excellence by inspiring awe and wonder through a real, relevant, immersive and purposeful curriculum.

The graphic displays ten circular icons representing shared values: Respect (globe), Kindness (heart), Resilience (rocket), Responsibility (notepad), Courage (strongman), Appreciation & Understanding (globe), Ambition (mountain), Creativity (brain), Teamwork (hands), Trust (two children), Honesty (hand holding heart), and Fairness (balance scale).

Our shared values are at the heart of all we do.

## Believe and Achieve

### Parent and School Partnership

At Hazelwood Schools we value the link between home and school and the sense of belonging to a community with shared values. It is vital that we work in partnership as the child's first teacher is the parent. We believe that by working in partnership we will ensure your child's success and happiness at our schools. We aim to establish a strong relationship with parents, where there is good communication and an openness to listen, understand and respect each other.
