Reading

In school:

Daily Whole Class Reading

Regular Opportunity for Story Time

At home:

The children will take **a levelled reading** book home at least every week (depending on the length of the book) as well as opportunities to take books from our book corner for their enjoyment. We would really appreciate it if you could read with or encourage your child to read **everyday** and **record in your child's yellow reading record book**. They can do themselves but would also encourage you to keep an eye on their reading activity.

The children's reading books will be changed at least weekly and they will be encouraged to select a new book independently within their given book level range.

Books need to be brought into school everyday please as there will be opportunities throughout the school day where adults in the classroom will read with the children.

Reading

As a school we are continually looking for ways to improve outcomes for children. We have a wonderful and freshly stocked library and we are changing the way we assess and manage children's independent reading. We will be using **accelerated reader**

- Star Reader quiz will be taken at the **start of each term**. This is an online, adaptive, multiple choice assessment that will give teachers a **ZPD** (Zone of Proximal development) for your child. This will help teachers to monitor their reading comprehension.
- Your child will be given a **Book Level** which will indicate the level book they should choose from the library - they will add this to their reading record too
- This Book Level (B.L) will be monitored by teachers and will ensure that children are reading at a level which stretches and challenges them but does not cause frustration.
- Please now ignore any coloured banding stickers, we will no longer be using these
- Children will also be encouraged to take reading for pleasure books in addition to their levelled reading book.

- If you have signed your child up for **group or individual instrumental lessons**, these will take place during the school day. You will be told the day your child has their lessons so that they can bring in their instrument and/ or music.

Homework

At Hazelwood Schools, we believe that homework should provide opportunities to:

- reinforce learning that has taken place in the classroom
- provide opportunities for parents to become more familiar with their child's learning and enjoy a shared learning experience with their child
- prepare children for the next academic stage of their school life
- develop valuable life skills and good work habits such as organisation and time management
- foster independence, confidence and resilience
- inspire creativity and curiosity outside of the classroom

In addition, homework at Hazelwood should be:

- enjoyable and accessible
- consistent across all classes in a year group as well as show consistency across the school
- pitched at the right level for the child's attainment
- manageable for busy family lifestyles

Homework

Reading

From Year 2 onwards, children will be allocated home reading books based on reading and comprehension assessments in class. Once a week children will be given the opportunity to exchange this book if they have finished it.

Expected Weekly Homework – Maths and Spelling

Expected weekly homework will be found on Google Classroom and will usually require online completion. Homework will be set on a Thursday and be expected to be completed by the following Tuesday.

Maths

From Year 1, Maths homework - based on the child's level of understanding - will be set each week to support children with prior and/or upcoming learning. We use Maths shed

Spelling

From Year 2 onwards, at the beginning of each half term, a list will go out with the half-termly spellings. Children will be tested on these spellings at the end of the half term. Each week, children will be taught explicit spelling rules in class and this will be supported by weekly homework to reinforce these rules.

Homework Grid

Each half-term the children will have access to complete optional homework on Google Classroom. This will contain a variety of different tasks from different subject.

School Uniform

- Children should always be smart
- School jumper (worn or held, not tied around the waist)
- White or red polo shirt – always tucked in
- Black / grey trousers / skirt
- Black shoes (no coloured laces etc...)
- Hair should be tied back if long
- No nail varnish and stud earrings only
- No other jewellery unless for religious reasons (all jewellery must be removed for PE)

Attendance and Punctuality

- Please make sure your child attends every day and is on time.
- Being late has an impact on your child's self regulation, routine and learning.
- Attendance is important. Research shows that a 1% increase in attendance can lead to a 5% increase in attainment.
- However, please do not send your child to school if they are sick!
- New attendance guidance has been released in August, meaning that we will need to be tighter on the authorising of absences, particularly when a child is at risk of becoming a persistent absentee.
- Holidays during term time cannot be authorised under any circumstances

Reporting Absence

This year, we will be moving away from the google form and asking you to report daily absences through the Arbor App.

To report an absence of any kind, including appointments, please follow these steps:

- Log in to the Arbor App and click on your child
- Scroll down and click on “Attendance” (underneath the “Statistics” heading)
- At the top of this page is a green banner that says “Log Absence”
- Click here and complete the form, giving a reason for the absence.

Please use this system for all daily absences – there is no need to phone the office to check that this has gone through. If the absence is for a date in the future (e.g. for an upcoming appointment), please email the office.
