

UNIVERSAL THERAPIES

We provide advice and guidance to families in Enfield with children aged 0-5.

Occupational Therapy

Supporting your child's main occupations of dressing, self-feeding, toileting, play, early mark-making and teeth brushing.

Physiotherapy

Supporting your child's physical development and mobility - sitting, rolling, standing, crawling, walking, running, jumping, balance.

Speech and Language Therapy

Supporting your child's talking, understanding, interaction, and pronunciation skills.

Find us at drop-in clinics around Enfield or call our telephone advice line. Visit our website for more information.

No appointment needed!
